GETTYSBURG, PA.

THURSDAY, JUNE 5, 1879. PULITICAL.-The Democrats of Ad gate Elections take place next Saturday-the County Convention to meet on Monday. Though few candidates are to be nominated, the issues of the times are important-sufficiently so to command the active interest of every Dem

ocrat in the work of the party. GRANT is expected to arrive at Sa Francisco July 20. The old "whiskey ring" is trying to excite the country THE Restorationists were defeated t

One on Wednesday by the nomination of Charles Foster as the Republican can-diducte for Governor, over Judge Taft, lately of the Grant Cabinet. It was a surrow victory for the anti-Crunt to narrow victory for the anti-trunt tien, the vote being 250 to 271; but it is enough, and the verdict of Ohio goes out to emphasize the undocentrent of Republican opinion that is to protest grainst the third-term movement. THERE is no animosity so fatal to a

great country as the revenge that suc creds a great civil war. — Forney's ▲ FEW days ago Henry Ward Beecher

lectured to the people of Nashville Tounessee, and invoked the blessings of God upon all the efforts of good men t JOHN SHERMAN is a nice man b

John Sherman is a nice man to throw sop to the Jacksonian Democracy. If Andrew Jackson were President to day and John Sherman Secretary of the Treasury, there wouldn't be much syndicate maneaving or any other kind of nonsense around that department.—Chronicle. THE Democrats of the several dis County Convention. That's the best

way to secure the best ticket, The Republicans say that Postmaster General Key is now one of the most "stalwart" members of the Cablnet, In consequence of his conversion to the "Stalwart" views of the use of troops at the polls, the Republican politicians have an affection for him second only to that which they entertain for Consul Mosby.—Detroit Free Press.

Mr. Days of the Mor. Most Scale Survey.

MR. DANA, of the New York Sun, is in ecstasies. He regards the nomina-tion of Foster in Ohio as the end of the Grant movement-the crushing defeat of the third-term scheme. NEARLY all Blaine's time in Congress appears to be devoted to proving that

there was a war fourteen years ago.— Springfield Republican, Doings in Congress - Waiting for Owing his own elevation to the Chief

Owing his own elevation to the Chief Magistracy to the frauds of the stalwarts and the occupation of certain States by the military, it is but natural that he should seek to justify and preserve the uses of the same machinery to help his party and provide his successor.

—Pittsburg Leader, Ind. LET Congress passone of Hayes' veto messages and send that to the White

House. Two to one he'll veto it .-Phila. Chronicle. GENERAL WM. Guison, who GENERAL WM. Guison, who was control of cla cation in Ohlo some years ago, and Hon. Wm. Dennison, who served during the war as a tin-cup contractor, were both conspicuous in the Republican State Convention at Cincinnati yesterday. This shows that the crisis in the affairs of the Republican party is shaking up the political graveyards of Ohio.—Balt.

THE Republican leaders are not doing

found an issue yet. - Utica Observer, sweep the House of Representatives at 'clean sweeping.''

The "boom" isn't booming satisfac-torily. General Grant and his friends are beginning to burry up their pro-gramme, which has begun to grow un-mistatably heavy and tedious.—Hart-ton't Time.

credit in the Mexican war and became | message."___ a Major General of the Union army in the late war, receiving two wounds in each. He likewise had the exceptional distinction of representing three states in the United States Senato-

Illinois, Minnesota and Missouri. THE Democrats in Congress now propuse to pass the Army Appropriation bill with a proviso that no money thus appropriated shall be used in paying the transportation or incidental expenses of troops used at the poils or as police. A similar proviso touching Supervisors and Deputy Marshals will be attached to the Legislative appropriation bill. The jurous' test oath is to be repealed in a separate bill. Both houses will then adjourn, and Mr. Hayes must either sign the bills or take the responsibility for another session of Congress. The Republicans may flud the Fraudulent President quite too heavy a weight to carry-and "that those who haugh last laugh best.19

in contemplation here. MINICS AND CHICKENS.-Communicated In Charberland township, on the night of June 1st, Isaac Leeper last six young chickone and an old one found dead in the coop, William Sheads six, and John W. Brown sixty some. The latter, suspecting they were tolen, offered a small reward. Joseph Henry, dving with him, believed the thieves were minks, and said for the reward he would trail and find them. This was agreed to, and he started like a bound. After one hour's

hard work across a grain field, he traced them to their hole, when Mr. Brown, Mr. Leeper, smake dead, then a rat dead. After digging

For the Gottysburg Complier. ELEVATIONS.

The Comprises of May 15 contained a

article on Mountain Elevations. It is desired to add another on that of towns and villages in York and Adams counties. If these items should do no more than gratify the curlosity of the reader it must be confessed corlosity of the reader it must be confessed that his curiosity is at least a landable one. But they will do more, it may not be of any immediate advantage to the farmer, medianic or merchant to know how many feet his land, or the floor of his work-shape or counting house is above the nossibility of being floaded by the tide of the sea or bay, but it may, nevertheless, give him data by which to account for many thirgs, such as the neck of the necessary of the neck of th insuffed members of the two houses of the been reminted and otherwise improved, and feat his land, or the floor of his workship or which to account for many things, such as the general direction of streams, the selection of certain railroad routes, difference of temperature, besides give him a pretty clear moneption of the general lay of the country.

> Moreover, such facis are suggestive of, and stimulate to thought on more profound subjeets which take a wider range of observa-tion. They lead one to seek to account for ace of the globe. The study of these subjects and the acquisition of such knowledge contribute to the

GEITYSBURG, P.L. THURSDAY, JUNE 5, 1879.

The Farm and Mouse.

AGRICULTURAL NOTES. BY THE EDITOR.

- Wm. Wible's Lincoln shire buck sheared 23 lbs. of wool this spring. -A ewe belonging to John Peter Bream, in Huntington township, has had seven lambs in three years-two the tirst year, two the second, and three this year, all living and doing well, Noah Sheely, in Franklin township,

has planted mother large apple orchard -100 York Stripe and 200 York Imperal trees. Both of these excellent kinds do first-rate in that locality. -Says F. K. Moreland in the Coun-

try Gentleman: "Sheep should never be allowed in a clover field; they will destroy the best clover sod in a single year." Our observation agrees with -An oak free recently cut on the

farm of John Grove, in Guilford township, Franklin county, made 2211 shing'es and 4 cords of wood. Mr. Ira Reifsnyder, of Limerick township, Montgomery county, has planted five acres in canteloupes, which are expected to yield fifty barrels of fruit

up in Wasatch county, Utah. -Potato bugs have already been found in Canada in large numbers, left Macon for New York May 20th.

shipped to Scotland.

rate to Liverpool. -The Frederick Tones says, Mr. Lewis Cramer, living on the Liberty

a calf with five legs. - A Colorado farmer says that plantpotatoes will keep away the much dreaded potato bugs,

them from becoming so. - Levi Guise, of Tyrone township,

has a turkey hen that laid thirty-five eggs before it wanted to batch. An unnaually large number. For the Getty-Sourg Compiler.

ALBEMARLE PIPPIN. Mr. STAILE: - Early in the spring

you inquired in your agricultural colin his catalogue as follows: "Newtown Pippin, Yellow-(We con

sider this, Albemarle Pippin and The time makes the chicks sneeze very Brooks' Pippin, identical.) Perhaps no hard, and this expels the cause of the Apple stands higher in the market than this, or brings as high a price; yet others may be more profitable to the grower, It succeeds linely in the Piedmont region and in many parts of the Valley of Virginia, though in poor, cold soils it will not succeed. It needs a deep warm soil to bring it to perfection. large, round, lopsided, ribbed and irregular; surface smooth, yellowish green, sometimes broazy, becoming yellow when ripe, flesh yellow, firm, brittle, slow growers in the nursery; does not succeed so well below the Piedmont STRAWBERRY WINE,-Take

the stank than the benefit in the table in with a mallet, and they must comlively red check, and a smooth skin, few plotely fill up the necks of the bottles, so or none of the spots on the Green var- as to ronder them quito air-tight. The iety but with the same russet marks at the stalk. It is also more highly fragrant the and after it is ent than the sides in sawdust, in a cool, airy cellar. Green. The flesh is firm, cusp. juley, STRAWBRRY CORDIAL. - Squeez

RAPHAEL SHERFY. A SUIT UNDER AN OLD LAW.-A bottom of which a piece of fine muslin novel case has just been tried in the or blotting paper has been fastened, and courts of Montgomery county. It uppears that when William Penn was Gov. Strawmenny Jenly, Select fine, ernor in 1740, a law was enacted that tich berries, and squeeze them through sheep, hogs or goats of any other person by bunting or driving them out from said grounds, shall be liable to make good all damages sustained thereby to the owner of said cattle." On this law

ceeds best. February to May."

an action was based by Jacob Krauss, a Norristown two farmer, one of whose cows had been injured by William Get. ty, a neighbor, so that the animal had not yet cut down, or will set their into be killed. Kranss held that the ventire faculty at work. Until lately a fence of his neighbor's farm was not in accordance with the Penn law, and that his cow having strayed in she had been feet bigh, enjoyed the reputation of beinjured by Getly in driving her and, ing the tallest tree in the world. Jin. The jury rendered a verdict on Friday an official of the Forests Department is to Kruns one cent damage. The court Victoria, Australia, measured not long ruled that the verdict was illegal and since a fallen cacataptus in Gippshind

IMPROVING LIVE STOCK. The item branches. But even this is exceeded by of expense is the great objection of another caralyptas still standing in the many farmers to the purchase of their Dandenong district in Victoria, which ough bred stock. To those who cannot is estimated to be 450 feet from the or think they cannot afford to procure ground to the top .- Newcast's Concent animals of both sexes we would recommend the use of thoroughbred maies for several years in succession. Let the | -"For every hundred heads of cabbage farmer select full-blooded animals of I take a quarter of a pound of black that breed which comes nearest to his ideal of perfection and use the best females he may have or can obtain. He should not be satisfied with one or two c esses, but continue to use the best sufficient. The worms go through the fall blooded males he can obtain on the leaves and die."

NEWSPAPERARCHIVE®.

best female progeny resulting from pretinued for five or six years in the case of sheep and swine and longer in the case of cattle. In this way the farmer may ecure in a few years at small cost a collection of live stack almost if not quite qual in all useful qualities to the pure ored unimals. The cost of this proced are might bostill further reduced if a tew neighboring farmers would band to-

use of the thorough-bred sires. LARGE CROP YIELDS,-In raising crops, the object should be to get the greatest quantity on the least space, We want large yields. To get these, we must manure more and cultivate better. Most farmers make mistakes by cultivating more land than they can attend to properly. Half the land with better cultivation would produce more, In stock ruising, quantity of land is essential. In crop raising, quality is essential. It is true that in stock raising good quality is quite important, as one acre of good grass hand frequently produces more grass than three acres of a poorer quality, but quantity of land can make up the deficiency, and quantity

redby the D. M. Osborne Company, a m. S. Y.

L. STROUSE

Getaysburg, Pob. 13, 1874. 11.

To our Many Friends and Kind Patrons in Adams County:

We desire to say that we are more fully pre-pared than ever to furnish CARPETS of every description at prices lower than the lowest. Our stock comprises all the well-known makes in Falling-Top, Standing-Top, and Body and Papestry Brussels, 3-plys, Ex-supers, Ingrains, Damask, Venetians, Remp, &c., with the of different styles—allot No. 1 indepting and workmandity. No act or expected is award in making work basis build due table—always up with the finos, and such as woll as diameter. This bid work of hand, and are diameter. This bid work of hand, and and are diameter. The finished work of hand, and are diameter. The work of hand, and are diameter. The work of hand, and are diameter. Rag and Yarn CARPETS ever offered. Remem. Strouse's Livery ber we keep a Regular Carpet House, (the only one in the Valley,) give it our whole time and attention, and Buy for Cash direct from the Manu-JOSEPH RODDY,

Saddle and Harness maker,

Has resumed hashess at his old stand.

Has resumed hashes at his old sta roll and the purchaser getting just what he buys. We mean just what we say—defy competition and can show the largest, cheapest and best selected stock outside the Eastern Cities. Respectfully,

STEPHENS & BEETEM.

P. S.—Also in connection with the above we carry an immense line of WALLPAPERS, OIL CLOTHS, LOOKING GLASS-ES, WINDOW SHADES, &c. All at lowest prices.
